SALES LIST #710 – MONDAY 4th DECEMBER

DECEMBER 2017 RARE SOUL AUCTION
AUCTION FINISHES 6.00PM THURSDAY 14TH DECEMBER

Our last auction of the year, our last list of the year. Thanks to everyone who has participated in our auctions – winners, losers and those merely interested. As ever, the same rules apply. The highest bid at the closing time wins the record and pays the offered price. It's as simple as that. The next sales list/auction will be presented on WEDNESDAY 3rd JANUARY 2018. In the meantime, have a MERRY CHRISTMAS and brilliant NEW YEAR with big thanks from everyone at Anglo American.

AUCTION

A	JOHN SIMMONS	AIN'T NOTHING LIKE THE LOVE	SABRINA 106	M-	200
Starting of with a Modern Soul rarity from Detroit that we haven't had for a while. Very well produced, sometimes it's a head-scratcher as to why records did not succeed. Incidentally, the writer D. Nathan is David Nathan the Blues and Soul scribe.					
B	KELLY & SOUL EXPLOSIONS	TALKING BOUT MY BABYS LOVE	DYNAMITE 1008	M-	500
One of those records, in this case from Virginia, that was comparatively inexpensive, even 20 years ago, but which we have had only twice ever since. What a superb midtempo cut it is, but then there's the funk monster 'Got A Gig On My Back' on the flip. So, for your delectation we've 'sound bitten' that one too.					
C	THE BARRONS	WALKING IN THE CITY	COBBLESTONE 710 D	M-	500
This and Tommy Dent are the two rarities on this New York label. Unlikely to be any of the other 'soul' Barrons (or Barons, actually I wouldn't rule out the RCA group) this was covered up for many years as gawd-knows-what (is it important?). However, we've known what it was for over 25 years and have only seen one worn copy before. This one is mint.					
D	THE JELLYBEANS	YOU DON'T MEAN ME NO GOOD	ESKEE 10001	VG++	200
A massive revived oldie in recent times of course, but, upon investigation you will find that originals of this classic are seen for sale far less frequently than you might suspect. Check out the internet sources if you don't believe us. Almost a minter apart from a few light marks.					
E	THE ROTATIONS	A CHANGED MAN	FRANTIC 202	M-	250
Such a big one at the casino back in '76, in those days 'Put A Dime' was the 'other' Rotations disc and this was the in-demander. No reason at all why this one couldn't do the business as a revival, even the legal reissue isn't common. This is the vinyl original 1967 copy and in rather spanking mint condition as well.					
F	ZILLA MAYES	ALL I WANT IS YOU	TOU-SEA 132 WD	M-	200
Quite superb New Orleans big beat ballad is brimming with soul. Some of the Crescent City riffs are there but on the whole this is a somewhat different sound for the Louisiana city and the swansong for this particular artist who actually had a substantial gospel career prior to this one, as well as being a noted local deejay. She died in Atlanta at the age of 64 in 1995.					

G	WILLIE KENDRICK	CHANGE YOUR WAYS	RCA 9212 WD	VG++	250
Probably as valuable an RCA promo as there is with all the magic of a crunching Pied Piper production. Kendrick first recorded in '63 for Checker, then a year later for Golden World (surprisingly recorded in New York). His two RCA 45's represent his final issued recordings.					
H	THE VAN DYKES	SAVE MY LOVE FOR A RAINY DAY	MALA 584 D	M-	200
Not many groups can murder the Temptations but this version of the Norman Whitfield song actually does just that. And boy, was that thunderous rhythm perfect for all-nighters back in the early seventies. Lead singer Ron Tandy shows Eddie Kendricks how to do a falsetto!					
I	ROD JORDAN	I LIVE IN A CASTLE	KAREN 322	VG++	200
The rarest record on Ollie McLoughlin's label! And yes, it's blue-eyed for sure, but what a production-immense. And catchy as hell. Don't listen to the soundbite – you'll never get the tune out of your head! I knew a guy who lived in a castle once.... he was always hosting all-Knighters! Just one tiny scratch incidentally, otherwise mint.					
J	TIMOTHY WILSON	HEY GIRL, DO YOU LOVE ME?	VEEP 1213	VG++	300
A big Stafford spin, never bootcd/reissued just waiting to go again – but wait! this is a yellow issue. Have you seen one before? It's a big ticket as a promo, but a stock copy has to be one of the rarest issues around.					
K	JESSE DAVIS	GONNA HANG ON IN THERE	ERA 3189	M-	600
Rare enough on an orange promo but, as an issue, as rare as a Soul Sam R&B booking! In fact, the first one we've ever had. Hailing from 'zoo town' (San Diego) Davis is still performing..... you can book him for your retirement 'do' if you like!					

**PERFECT CHRISTMAS PRESENT, LAST FEW COPIES (REALLY!) £29 INC POST.
 'THE WIGAN CASINO YEARS' By TIM BROWN**
 Earlier this year a copy of this book went for over £50 on Ebay.... erm, the buyer should've looked at our website! Truthfully, we have around a dozen copies of this book left (meaning 2,000 sold), yes it's from 2010 BUT, the great thing about a historical account is that it cannot date. Oh, and you can get it on Amazon.... its £67.44 in 'new' condition.
