NOVEMBER RARE SOUL AUCTION

A	SAM & KITTY	I'VE GOT SOMETHING GOOD	FOUR BROS 452	M-	200
Note the label.... This is the very <u>first</u> release prior to distribution by Atlantic, it is pretty scarce. In fact the very first boot used this label as the template. Get the true original therefore.					
B	THE INVITATIONS	WATCH OUT LITTLE GIRL	MGM 13666 D	M-	200
An almost perfect copy of a disc that has rose to prominence/demand in recent times. Flipside is a version of the Belmonts' blue-eyed stomper 'You're Like A Mystery' but done slightly slower.... And a lot better!					
C	THE MASQUERADERS	DO YOU LOVE ME BABY	WAND 1172	VG++	500
What a record – one of the all time greats and, like quite a few Wand releases, probably a little rarer on an issue with the red text (ever seen Al Wilson 'Help Me' like that for instance?). This is the ex-copy of a 'nighter deejay' and has a bit of wear. Check the soundbite.					
D	BOBBY TREETOP	SO SWEET SO SATISFYIN'	TUFF 415 WD	M-	500
Another lovely copy, probably not mint but VIRGIN MINT! Goodness knows who Treetop was, almost certainly a pseudonym for someone else with the syrupy flipside produced by Lew Douglas (who was a famous arranger in Chicago). Ace arranger Richard Tee on 'our' side however, and he was mostly New York.... So who knows?					
E	THE GRAND PRIXS	ROAR OF THE CROWD	TINA 1014	M-	200
Always been a surprise to us that this tremendous West Coast group dancer from 1966 has not been a dancefloor packer. What's more, the flipside 'Lost Love' is a corker too, we will thereby 'sounbite' both sides for your delectation and consideration.					
F	LOUIS CURRY	YOU'RE JUST PLAIN NICE	REEL 251	M-	300
Wonderful Detroit midtempo and another almost unplayed copy we just got out of an American load. Apparently, Curry was also called Lonnie Curry and he had a minor hit with 'A Toast To You' on M-S.... but it isn't as good as this one.					
G	SHAWN ROBINSON	MY DEAR HEART	MINIT 32013	VG++	250
Rarer black label vinyl ISSUE of this amazing track. Was the artist black or was she white? I've seen photographic evidence claiming both sides of the story. Whatever the truth this is an immense production from Motown's Robert Staunton (also a member of the Hit Pack) with maestro Arthur Wright on arrangements.					

H	TERRIBLE TOM	WE WERE MADE FOR EACH OTHER	MAVERICK 1001	M-	200
Fast, furious and fantastic. If you ever want to show a 'normal' person what Northern Soul can be then play them this. Tom Bowden out of California who once sang a theme track to a film I can't remember (but it isn't famous). Particularly rare on an issue copy with a 'B'-side 'Loving Cup'. Sparkling mint condition					
I	MOSES SMITH	GIRL ACROSS THE STREET	DIONN 508 WD	VG++	300
Assuage any doubts on the 'is-it-an-original-or-not' orange issue by owning the black and white promo. Other than that, there is little more that can be said about an all-time 100% classic.					
J	TINA ROBERTS	ONE WAY OR THE OTHER	SECURITY 1366	M-	500
What a monster this would have been at Wigan but the scene had to wait a few years for it. A minor-key vocal from one of the Leverett Sisters over a glorious pounding beat. Has always been a very tough record to find.					

SECOND PAGE FOCUS

1	LITTLE WALTER HAMMOND	WE GO TOGETHER, YES WE DO	DUO DISC 110	M-	15
Quality midtempo number from '65 out of Los Angeles from the skills of the great Fred Smith (Mirwood).					
2	RONNIE WALKER	TROUBLE	IMPACT 101	M-	10
The original and superior version with horns – excellent stuff.					
3	WEE WILLIE WALKER	TICKET TO RIDE	GOLDWAX 329	M-	15
A Beatles song done as a soulful treat yet again. Backed with the excellent midtempo 'There Goes My Used To Be'.					
4	B. B. KING	THE HURT	ABC PARAMOUNT 10576	M-	25
Blues legend BB King tried a bit of soul around the mid-sixties – to good effect as this version of the Freddie North record proves.					
5	SONS OF ROBIN STONE	I'M READY TO GIVE UP MY LOVE	GONIFF 3201	M-	8
From their 'Got To Get You Back' Philly era (mid-seventies) an excellent dancer typical of the Philadelphia sound of the time.

Classic stuff from one of the great ladies of soul.

Tremendous version of a song also well-performed by Roy Hamilton on RCA.

What a gem-midtempo mid-sixties perfection.					
10	THE PARLIMENTS	LOOK AT WHAT I ALMOST MISSED	REVILOT 217	M-	15
Massively overlooked Detroit jewel from this great sixties harmony group.
