FEBRUARY RARE SOUL AUCTION

A	FLUFFY FALANA	MY LITTLE COTTAGE (BY THE SEA)	ALPHA 007	M-	350
One of a number of great records spun in the later Casino years by one R. Searling. Turns out that Fluffy (whose name was Avelio), was a minor actor who appeared in 'Shaft In Africa' amongst other films, also the brother of singer/actress Lola Falana. Perfectly mint copy.					
B	JOHNNY GUITAR WATSON	AIN'T GONNA MOVE	JOWAT 118	M-	350
Obviously owned at one time by one 'Sharon Jones', that is the only flaw on this otherwise perfect copy. Clearly this was Watson's own label but this great dancer is also a track on the Williams and Watson 'Two For The Price Of One' album, however this is the first release and a 45 that has always been tricky to locate.					
C	HERB WARD	HONEST TO GOODNESS	RCA 9688 D	M-	250
Written by one of the Formations and sung superbly by Herbert Eugene McCracken as part of Gerard Purrell's GWP Production set-up. It's a 1968 release which retains many of the sympathies of the 'golden era' whilst looking forward to a new sound. Ward died on Christmas Eve 2012.					
D	ROGER HATCHER	SWEETEST GIRL IN THE WORLD	EXCELLO 2297 D	M-	200
Edwin Starr's cousin on a fabulous midtempo item which we normally set-sale. So why auction this one? Well on a promo/demo copy this really is a rarity. Normally the promo is only the flipside 'I'm Gonna Dedicate My Song To You' pressed up on both sides, and indeed this copy states 'plug side' on that side but fortunately contains this beauty on the reverse.					
E	EDWARD HAMILTON	BABY DON'T YOU WEEP	MARY JANE	M-	300
Slightly rarer with 'A Mike Terry Arr' on the label details. A superb, scarcely-played, mint copy. How many copies spun over decades by deejays can claim such a thing? Ian Levine takes the credit for playing this one.					
F	HOBAY DODD & THE SOULS ORCHESTRA	TOUCH ME	VIBRANT 938	M-	200
Storming rarity on a tiny label out of Newport, Tennessee has loads of potential for the right enterprising deejay. Nice deep soul flipside too 'Living With Myself'. Amazingly, it would seem that Dodd is/was a blue-eyed singer (like many N.Soul tracks).					

G	THE O'JAYS	I'LL NEVER FORGET YOU	IMPERIAL 66162 WD	M-	150
Again, not an item we would normally auction but we think it's quite a bit rarer on a <u>white promo</u> which is only on vinyl copies rather than the more commonly seen styrene with a green and yellow (ish) label. Sheer Detroit brilliance of course, tho' the O'Jays were not Detroit-based at all.					
H	DONI BURDICK	BARI TRACK	SOUND IMPRESSION 6808	M-	500
You may not know the full story on this... back in '77 we found 310 copies of this record in a shop in Detroit but never another copy. The engineer and owner of the recording studio later told us that only 500 copies were EVER made. This means that a tiny quantity only ever escaped the shop 'lot', this explains why no-one ever finds it in the U.S. or ever has. As for the 300 or so – well it's over 40 years ago now and they have regressed to a few indeed.					
I	THE DYNAMICS	I NEED YOUR LOVE	RCA 9084 DJ	M-	200
Funny how, in later years, some of these RCA records have become valued as the gems they are but were comparatively ignored in the seventies. The Metros 'Since I Found My Baby' is another good example of this syndrome but back in the day you could've swapped four of them from Gia Mateo or 'Interplay'.					
J	DUKE BROWNER	CRYING OVER YOU	IMPACT 1008	VG+	250
All the above records are in mighty fine condition, much better, being virtually new, than you would on the whole, find at an all-nighter. But this 45 from Duke Browner is the exception being fairly worn after being found in Detroit itself (and there are precious few mint sixties left in the Motor City now) but it plays very nicely indeed. Check the soundbite for an accurate reproduction of the disc.

SECOND PAGE FOCUS

1	FREDDIE HUGHES	DON'T YOU LEAVE	GREG-UH-RUDY	M-	10
Super seventies dancer was quite a big spin at the Mecca in early '76.					
2	MARVA JOSIE	CRAZY STOCKING'S	CITY 500	M-	10
Tambourine–ridden pounding dancer has all the right ingredients.					
3	GENE CHANDLER	FOOL FOR YOU	CONSTELLATION 167	M-	15
Super finger-clickin' midtempo dancer in the way that only Gene could do 'em.					
4	THE DAYLIGHTERS	HARD-HEADED GIRL	TIP TOP 2008	M-	20
Nice early soul midtempo track from this excellent Chicago group.					

5	ARTHUR K. ADAMS	GIMME SOME OF YOUR LOVIN'	MODERN 1034	M-	15
Hard driving soul dancer in the manner of Pickett etc.					
6	THE EXOTICS	I'M GONNA NEVER STOP LOVING YOU	EXCELLO 2284	M-	15
Great brass-riven dancer with loads of soul (seems to be a band rather than a group as there is no harmony backing).					
7	MITTY COLLIER	MY PARTY	CHESS 1964	M-	15
Fabulous midtempo track with strings, great singer-the lot!					
8	LITTLE MILTON	JUST A LITTLE BIT	CHECKER 1217	M-	10
Another overlooked gem, very similar to the Ben E King song 'Teeny Weeny Little Bit'.					
9	AARON NEVILLE	WHY WORRY	PARLO 101	M-	6
Our favourite overlooked spin at the moment the brilliant midtempo flip to 'Tell It Like It Is' (which is a gem soul sound of course).					
10	THE VAN DYKES	WHAT WILL I DO	MALA 530	M-	15
The Van Dykes did a couple of other nice dancers on Bell other than 'Save My Love For A Rainy Day'. Here is one of them.
