JUNE RARE SOUL AUCTION #2

A	WILD HONEY	I'VE BEEN WORKING	GEORGIA PEACH 23	VG+	250
Super fusion of modern soul and funk from a tiny label allied to Peter Brown's P&P stable of labels and hailing from 1975. The group are not the same girls as recorded for Houston International and Drive. Sweet soul collectors may well go for the flipside 'Only September' (see soundbite). The vinyl has a few scratches and plays with a few crackles.					
B	THE DE-LITES	LOVER	CUPPY 101	VG++	200 0
Famously named after Bill Haley's second wife Barbara Cupchak, the label was principally owned by Sonny Casella who later owned the seventies NY label Cotton. The five-man group included Tonny Keith who had another rare soul claim as Walter Wilson on Wand. This has always been a very rare and difficult record to find.					
C	BRICE COEFIELD	AIN'T THAT RIGHT	OMEN 10 WD	M-	400
Brice Deslands Coefield's only two solo 45s including this tremendous 1966 side. Most of his career saw him in a variety of doo-wop groups which were basically the same line-up but with different group names! Co-written with the Pipkin brothers, this has all the hallmarks that comprise a Northern 'classic'.					
D	SONNY CRAVER	I'M NO FOOL	MUSETTE 102	VG++	225
Rare first label release (before Teri De) from Ervin Grove's San Diego label sees the midtempo Northern gem as the B-side to a neat beat ballad 'Come Back' (not featured on Teri De). Much rarer than the Len Jewell label.					
E	THE CHANCELLORS	GIRLS DO WONDERFUL THINGS FOR BOYS	CAP CITY 112	VG++	200
Super group harmony dancer is the second release on this Washington D.C. label by a talented group. This is much the rarer of the two and is one of those 45s where the instrumental flip works well indeed (see soundbite). On this particular copy the labels have been reversed and someone has written in the group's name instead of 'instrumental'.					

F	DANA VALERY	YOU DON'T KNOW WHERE YOUR INTEREST LIES	COLUMBIA 4-44004 WD	M-	400
The first copy we've had of this thunderous treatment of a Paul Simon song in quite a while and still guaranteed to pack any dancefloor. Born Fausta Dana Galli in Italy the singer had a reasonable flirtation with American soul music in the late sixties. Difficult to find in good condition too.					
G	FELIX THOMAS	TITLE MESSAGE TO A LONELY GIRL	UNISKY 000	VG++	600
Very obscure and rare dancer that has two strange things about it. Firstly, we are convinced that the song title has simply duplicated written instructions and it should read 'Message To A Lonely Girl'. Secondly, label number – very unusual to go triple zero! All of which obscures a very good record with a great deep flipside. Strong VG++ incidentally.					
H	JOHN PARKER	JUST A THING CALLED LOVE	BRUNSWICK 55427 D	M-	200
After years of living in the shadows, this Brunswick 45 has garnered considerable demand. Nothing is known of the singer and very little about producer/co-writer Sam Stewart or co-writer Fred Batts. We can relate that this has never been a common record and lovers of Deep Soul may well go for the slow side 'A Big Mistake' (which has a tiny bit of writing on our copy).					
I	MOSES SMITH	THE GIRL ACROSS THE STREET	DIONN 508	VG++	200
A genuine issue copy – and its much rarer than folks think due to the reissue being off-touted as the original. It's easy to tell the difference. Like the black and white promo, the original has a shiny label and letters 'A' 'BF' and 'LW' in the deadwax as well as the matrix number.					
J	VIVIAN JONES	MONEY CAN'T BUY MY LOVE	LARK 102	VG+	900
Also recorded as Vivian Collins, this James Brown-inspired Lark 45 has reached lofty heights on upfront dancefloors in recent years. Not overtly Detroit in feel but it <u>is</u> from the Motor City and quite likely features the Funk Brothers on instrumentation. Tiny label tear on the flipside 'Crying'.					
K	FRANKIE ZHIVAGO YOUNG	SOMEBODY STOLE MY LOVE	ULTRA	VG++	300
We would say that this was an original test press from the Jamaican Ultra record label, however, a full label for the instrumental 'Part 2' is on the other side and certifies the disc as original. A lovely modern soul litter from a good Bahamian singer, and a disc we have only ever had here once before.					
L	CHARLES BRIMMER	THE FEELING IS IN MY HEART	BROADMOOR 201	VG++	350
One of the finest New Orleans soul singers gives us one of his finest outings and a quite exceptional piece of crossover soul which proves how right we were to accept slower and sophisticated tempos back in the late 80s when 'crossover' first made its mark. Tremendous slow flipside 'Mr. Teardrops'.					
M	WILLIE TEE	FIRST TASTE OF HURT	GATUR 509	VG++	300
Rivalling the above Mr Brimmer in the Crescent City must be the great Wilson John Turbinton. A massive career over 20 years from '62 featured many prime soul moments. 'First Taste Of Hurt' would have been one of these. Released twice, this release has 'Funky, Funky Twist' on the flipside, in itself a great track with a fantastic groove.					
N	HERB WARD	HONEST TO GOODNESS	RCA 47-9688 D	M-	300
Its almost 10 years (2013) since Herbert McCracken passed away leaving a clutch of treasured 60s soul 45s bearing his stage name. None are better than the fine GWP Production that is featured here. A superb copy with just one tiny mark on the (decent) flipside 'If You Got To Leave Me'.					

O	EXIT	I WANNA BE CLOSE TO YOU (WHEN IT RAINS)	REX 101 WD	VG++	700
Rare promo copy of this excellent 1977 dancerc. 'B'-side to a typical disco-funk track of the time which might well appeal to many in its own. Yet another label distributed by World Wide out of Nashville and what a story that must be if anyone can get to the bottom of it. Exit were from Houston and two of their four releases pay tribute to American football teams! Strong VG++.					
P	THE QUOTATIONS	I DON'T HAVE TO WORRY	DIVENUS 107	VG++	250
This five-man group from Springfield, MA had but one release in 1967 on Bob Calilli's N.Y. DiVenus imprint, produced by the great Phil Medley. Never really a big play therefore never bootcd, there is lots of mileage in this particular piece of vinyl. Fantastic ballad flipside.					
Q	TASTE OF LOVE	LOVE MEDITATION	T.O.L. 1074	M-	450
The fast-growing area of demand for group ballad / sweet soul rare 45s should be served by an auction such as ours and thus far they have proved popular. This auction sees and incredible double-sider from 1975 (the flipside 'Cindy' is also quite excellent). The label is from Ohio and was certainly not to be seen in the UK at the time of release.					
R	JASON KNIGHT	OUR LOVE IS GETTING STRONGER	PYE 17399 D	M-	400
A Northern Soul UK-only stomper that is almost impossible not to love. Real name Derek Knight, he clearly was a talented singer, but his solo career amounted to this release plus two groups no one ever heard of again. This 1967 release was his swansong. A superb copy on a lovely yellow/black promo.
