JUNE RARE SOUL AUCTION #2

A	BETTI LOU & BOBBY ADAMS	DR. TRUELOVE	TRA-X 16	VG++	700
Tongue-in-cheek analogues, and rather humorous lyrics can't disguise the fact that the soul quotient is high on this one. Betti Lou was one Betty Smith and Adams is known for a slew of fine 60s soul sides. The label owner was Ben Smith, so it is quite possible Betti Lou was related in some way. Strong VG++.					
B	GIL SCOTT-HERON	LADY DAY AND JOHN COLTRANE	FLYING DUTCHMAN 26015 WD	VG++	275
This 1972 piece of soul-jazz has become something of a cult item that will fill the dancefloor at any discerning event. It is particularly desirable on a promo copy. The condition is approaching near mint bar one very light mark.					
C	BOB & GENE	I REALLY REALLY LOVE YOU	MO-DO 104	VG++	700
Bobb Nunn and Eugene Coplin Jr., Nunn's father William owned this Buffalo label which has a number of rare releases on it. This fine dancer from 1969 is amongst them.					
D	POSSE	EVIL	JANUS 133 WD	M-	150
This group were managed by Eddie Kendricks and came up with four releases between '70 and '71. 'Evil' is from October 1970 and saw a lot of action at Wigan Casino 8 years later. Seems to be a little rarer on promo than issue and this is a sparkling mint copy.					
E	THE DEBONAIRS	PLEASE COME BACK BABY	SOUL CLICK 8097	VG++	500
From Dallas, Texas this raw-voiced male group is nothing to do with other groups by the same name recording on what would appear to be a one-off Soul Click label. Again, very strong VG++ although, like every copy we have seen, there is a slight edge warp not affecting anything at all.					

F	STAN DEVEREAUX AND THE TRENDSETTERS	SAD TOMORROWS	SUJAY 102	VG+	200
Devereaux was a Phoenix, Arizona black artist who, with his band The Trendsetters would appear to have only the one release (and an obscure one at that). 'Sad Tomorrows' hits a neat mid-pace groove whilst the flipside 'Know That Its Happenin' is frantic beyond belief.					
G	THELMA HOUSTON	BABY MINE	CAPITOL 5767 WD	VG+	150
Such a big spin back in the day this track seems to have faded from the spotlight in recent times and is surely due a revival. Lots of light 'fibreglass' marks but the record plays almost perfectly.					
H	THELMA EDEN	ALL I WANT IS YOU	LOCAL 809	VG++	300
One of a number of labels to use this somewhat self-deprecating name this particular local label is from New Orleans and is one of three releases, all from 1964. The backing track was also used on Eldridge Holmes' Alon release 'A Time For Everything' (also well worth owning). A rather more obscure Thelma than the previous Ms Houston!					
I	EAST RIVER DRIVE	TODAY	T-TOWN 103	VG+	500
From Toledo, Ohio this is the rarer (by far) of two releases from this group on the T-Town imprint (in fact, Discogs does not recognise it at all) and is a 1974 dancer with more in common with a 60s sound in many ways. 'To Be My Friend' on the reverse is a sweet ballad which was found on one side of the other release by them.					
J	MANZEL	SPACE FUNK	FRATERNITY 3401	VG++	200
Interesting 1977 instrumental from the Cincinnati label could well have been big at the Mecca or Cleothorpes had it been made a little earlier and was rather too obscure to make it on the embryonic jazz/funk scene of the day In fact, we don't remember it as a new release at all!					
K	JOHNNY HOWARD	THE CHASE IS ON	BASHIE 101 WD	VG++	250
Not many versions showed The Artistics how to do it but here is one: The unknown Johnny Howard slipped this one on the B-side of 'I Miss My Lady' in 1969 and just about beat the famous group to the finish line on a Northern Soul stormer.					

SECOND PAGE FOCUS

1	OTIS CLAY	SHOW PLACE	ONEDERFUL! 4848	M-	10
Pounding sixties stormer from one of the most soulful singers ever.					
2	MITTY COLLIER	AIN'T THAT LOVE	CHESS 1934	M-	10
Powerhouse midtempo from a singer who rarely lets us down (if ever).					
3	STREET PEOPLE	I WANNA SPEND MY WHOLE LIFE WITH YOU	VIGOR 1732	M-	8
Double-sided seventies delight! 'Never Get Enough' was spun as a new release at t'Mecca but they missed out on the flipside.					
4	AL GREEN	HOT WIRE	BELL 305	M-	6
Albert Greene isn't known for his Northern, but this is right up there. At this price, satisfaction is 100% guaranteed. Even the flipside is great.					
5	WILLIAM BELL	YOU'VE GOT THE KIND OF LOVE I NEED	STAX 0175	M-	10
From 1973 and operating right below the radar. Beautiful midtempo foot tapper.					

6	L. J. REYNOLDS & CHOCOLATE SYRUP	WHAT'S A MATTER BABY (IS IT HURTING YOU)	LAW-TON 1556	M-	8
The original version of Phil Lowman's 'Rock Me' – and far superior to be honest.					
7	JACKIE WILSON	I'VE LOST YOU	BRUNSWICK 55321	M-	15
Up there with his best – little more to say.					
8	JOE SIMON	THE GIRL'S ALRIGHT WITH ME	SOUND STAGE 7 2589	M-	15
We've raved over Simon's 60s Northern time and time again... with good reason, as proven here.					
9	LOLEATTA HOLLOWAY	I KNOW WHERE YOU'RE COMING FROM	AWARE 050	M-	10
Phew! Brilliant stuff got a few Mecca plays and faded in the face of 'Theme From Jaws'.					
10	MOMENTS	RAIN IN MY BACKYARD	STANG 5076	M-	7
Superb 1978 dancer from a great group who recorded their fair share of 70s movers.
